Hi,

To whom it may concern,

I am sending this email on behalf of myself Elizabeth Krstevska and my husband George Krstevski residents of 15 Creekview Ave, Richmond Ont L4C 9X1.

It pertains to the above notice we have received regarding amending the Official Plan and Zoning By-Law described in the notice. As we understand a proposal is made by a builder to build a 28 storey rental building with access to their visitor parking from arteren avenue and creek view.

We would like to express our strong opposition for amending the Official Plan and Zoning By-Law in the above application. We are very concerned about this plan. As you know, Creekview Ave has been a quiet and more private Residential area with mainly detached homes built on it. These were strong reasons that supported our purchase. This Official Plan seems in direct conflict with the existing Zoning By-Law in Creekview Ave, and amending it will cause heavy traffic, noise, safety and so many other issues. In addition, it would impact the value of the properties in the area. We have been living here for 26 years and you decided to dump the Reporting Centre which faces my backyard and we're not happy about that as there's ongoing noise screaming, yelling, drunks and now to put up another building to have more problems.

I think we pay enough taxes and we should be able to enjoy some peace and quiet, which we haven't since you put the Reporting Centre and now to build another building.

We would highly appreciate you considering our concern in this matter. As taxpayers we appreciate our voice to be heard. We would appreciate if you kindly inform us of the future public meeting, so that we could attend and express our opinion and concern.

We appreciate your time and effort in advance in taking the time to read this email and consider our concerns in your decision making in this matter.

I can be reached via email or at XXXX.

Best Regards.

Elizabeth Krstevska
