Great day!!

To whom it may concern,

My family, residing at 55 Arten Avenue, Richmond Hill ON L4C 9X1, is requesting an opportunity to attend and speak at the upcoming public meeting on September 23, 2020, at 7:30 PM.

We are in opposition for amending the Official Plan and Zoning By-Law in the above application. We are very concerned about this plan. We choose to live in the area, and specifically on Arten Avenue as it was a quiet hidden treasure. This amendment threatens to disrupt the landscape and safety of our neighborhood, and that is not acceptable.

We believe the amendment will cause heavy traffic, noise, safety and so many other issues. In addition, it would impact the value of the properties in the area and elevate the flood concerns.

We will be giving voice to this situation and ask that the city holds to the original agreement.

Please confirm that I will be added to the agenda for the upcoming meeting.

I can be reached via email or by phone at xxx.

**All the greatest,
Nkechi**
