I don't believe that there is intention of building a 28 story apartment in the midst of single family homes. I have lived on Oxford St.for 15 years and it has become a very busy street. The traffic has become very busy with vehicles going through all day. Heavy transport trucks that I feel should not be on this street and then there are cars speeding way over the limit. There are many elderly people and children crossing in this neighborhood and it has become dangerous to cross the road. Sometimes it takes forever just to pull out of my driveway.

**I am thoroughly opposed to having this building built in this area.
It's RIDICULOUS!**
