Subject: City files: Oppose - D01-20003 & D02-20009 - Snively Street Resident

Hello,

I am writing to advise on my opinion and concerns regarding this development.

I strongly oppose an 11 storey building at this location. Directly across the street is a golf course and surrounded by single family detached homes, no townhouses or other tall buildings in the area. In addition there is no other property that would suite a building of this type in the area making this a one-off (white elephant in the area).

In addition, the development would cause great damage to the surrounding Provincially significant wetlands. And finally, Snively Street would be a direct route/shortcut to Yonge St leaving this road to be extremely busy.

I trust that you will take this into consideration, if you would like to discuss this further, feel free to contact me.

Kind Regards,

Domenic Martino
