Subject: D01-20003 and D02-20009 Application

To whom it may concern,

My name is Mohammad Moradi and I am a resident of Richmond Hill. I am looking to buy a condo unit in north of Richmond Hill and I was not able to find anything. I just realized through the news that a condo would developed in the oak ridges area and that is very exciting.

I want to support this application as I am interested to buy one or two units in this area. In my opinion this is a very good area for elder people who would like to live in the condo and I am sure most of the Richmond Hill resident would support this.

Thanks,

Mohammad Moradi
