Subject: Object to high rise buildings at 13572 and 13586 Bayview Ave., Oak Ridges.

Hello, I am a resident in Oak Ridges for over ten years. I love the peaceful environment here, and I strongly believe that human beings need to realize how important and beneficial it is to protect our natural environment. I don't want to see more trees and forest to be destroyed. That's why I strongly object to the massive condominium development proposed in my Oak Ridges Neighbourhood located at 13572 and 13586 Bayview Ave.
