**Subject:** Addition to the Agenda, Item 11.20, COW-Wed Dec 4, 2019

Good morning,

As Richmond Hill resident I insist that the Council meetings to be held in the evenings and that the Committee of the Whole meetings to be reinstated.

Limiting public access to Council sessions is the wrong approach. Voters have right to participate in sessions without taking time off from work.

I hope that Council will reconsider their decision.

Thank you,

Magdalena Strzelecka
