Subject: Hillcrest Mall Development Proposal

Good Afternoon,

I have already voiced my concern in a previous email, but thought I would do so again, since there is going to be a meeting on November 18.

Although I don't have an objection to something being built on the parking lot of Hillcrest Mall, where Panera was located, I do object to the size of the development, 2 towers 26 and 29 storeys in height is too much. The height should be limited to a maximum of 15 storeys, not only because buildings any higher than this would be an eyesore, but also, because traffic will be much worse, since Yonge Street traffic is already very bad and the population on Yonge Street will too dense.

Sincerely,

Ann de Jonge
