To whom it may concern,

I am writing to you regarding a proposed plan with the file numbers:
D01-20009 and D0-20018

I think our neighbourhood will adversely be affected by this plan since the Hillcrest mall is the only mall in city of Richmondhill. In addition this plan will definitely increase the traffic congestion in our neighbourhood.

I would like to be notified of the adopting, passing or refusal of this proposed plan.

Sincerely yours
