## **Explanatory Note to By-Law 134-20**

By-law 134-20 affects the lands described as Part of Lot 3 and Part of Block A, Registered Plan 1642, municipally known as 24 Brookside Road. The subject lands are situated at the southwest corner of the intersection of Yonge Street and Brookside Road.

By-law 2523, as amended, of The Corporation of the City of Richmond Hill zones the western portion of the subject lands as “Flood (F) Zone”. By-law 190-87 of the Corporation of the City of Richmond Hill now zones the eastern portion of the lands as General Commercial 1 (GC1) Zone.

The purpose and effect of By-law 134-20 is to add a RETAIL STORE as a permitted use to the GC1 Zone on the subject lands and to establish site specific development standards related to parking, minimum required landscaping, yard setbacks, floor space index and frontage requirements to facilitate the development of the lands for a MEDICAL OFFICE BUILDING with ground related RETAIL. By-law 134-20 will also have the effect of removing the lands zoned Flood (F) Zone from By-law 2523, as amended, and including the lands within By-law 190-87, as amended, and will permit the uses of Forestry and Conservation.
