City of Richmond Hill File No: D01-18007 and D02-18033

Dear Katherine Faria,

Thank you for your email dated January 7, 2020 regarding File: D01-18007 and D02-18033 located at 8700-8710 Yonge Street. Board staff recognizes that the subject application is within the Richmond Hill Centre Secondary Plan area.

Until such time that the Richmond Hill Centre Secondary Plan has been completed, and a preferred land use plan, including population projections, is available, it is premature for the Board to provide comments on site specific development proposals within the Secondary Plan area.

We look forward to working with the City to ensure the adequate provision of school sites within the City of Richmond Hill.

If you require any additional information, please do not hesitate to contact me at 905.713.1211, x12333.

Sincerely,

A handwritten signature in black ink, which appears to read "Joshua Cipolletta".
