

The architectural site plan for the 1000 Yonge project illustrates the building layout and its context. The plan features a large building footprint with a central core and several wings. Key areas include:

- 6 STOREYS RESIDENTIAL PODIUM:** Located at the top of the main building footprint.
- ROOF OF 7TH FLOOR:** Two large roof areas, one on the upper right and one on the lower left of the main footprint.
- 54 STOREY RESIDENTIAL TOWER:** A tall, narrow building section on the right side of the main footprint.
- ROOF OF 1ST FLOOR:** A large roof area in the center of the main footprint.
- Parking and Access:** Includes a "RAMP ON TO U/G PARKING" and "ACCESS TO LOADING" areas. A red dashed line indicates the "EXTENT OF UNDERGROUND PARKING".
- Streets and Surroundings:** The plan shows "YONGE STREET" running vertically on the right, "GARDEN AVENUE" running horizontally at the bottom, and "CLEANER CIRCLE" at the top. A "20M R.O.W." (Right-of-Way) is marked along the left side.
- Dimensions and Notes:** Various dimensions are provided, such as "20000", "17000", "1500", "8500", "1500", "2000", "11714", "5500", "1125", "7109", "25914", and "22164". Notes include "4 Street Sun Daylight Trough" and "BUILT WATER: GALLERY CLIPBOARD STAIRWELL: 10000 W/ OPEN BOTTOM 100 SQUARE AREA = 10000 ROOF VOLUME = 2.5m x 100m x 100m = 250,000m³ BOTTOM DEPTH = 100.00".
