Subject: Re: City File: D01-20014 and D02-20028 Public Objection

Hello,

My name is Ehsan Behbahani, Registered owner of 14 Innis Crescent, Richmond Hill, Ontario,

This is to inform my strong objection about proposed plan of applications D01-20014 and D02-20028. This proposed plan is totally unfit with the neighborhood and is against characteristic of the neighborhood. I am strongly against official plan amendment and would like to be notified about every step of this application, a 19 and 10 Story high rise building will be totally devastating for the neighborhood.

Regards,

Ehsan Behbahani
