Hello all,

My name is Rosanna Mauro and I live at 39 Oneida Crescent, Richmond Hill.

I am absolutely against the above project.

1- One of those buildings will be completely blocking my view and any sunlight.

2-Oneida is a very small Crescent which now has 6 Condos with two more being built. It already has become very difficult to leave the street for work in the mornings and almost impossible to make a left hand turn going north on Red Maple with the increased number of condos already in existence.

I would suggest a park or perhaps a small strip mall.

Yours truly,

Rosanna Mauro

Hello, My name is Rosanna Mauro and I live at 39 Onieda Cres., Richmond Hill. I am opposed to the above plans to build four residential buildings between 25 and 37 storeys with a 3 story podium and a standalone two storey private amenity building.

Oneida is a very small crescent and the traffic, which is already challenged as there are currently 6 condos with two more being built, would not be feasible to accommodate 1800 more cars.

Making a left hand turn onto Red Maple north is near impossible in the current situation. Traffic lights would have to be built on both ends of the street.

Also these buildings would completely block my view and sunlight.

I would suggest a small strip mall or a park with tennis courts, bocci courts, etc.,

Subject: Proposed Development at Oneida Cres. Richmond Hill Meeting March 24 2021

Hi all, please note that Oneida Cres is a very small street with already too many condos. It is near impossible to get in and out of our street with the existing buildings (another two are being built as we speak). I had previously suggested a park with maybe tennis courts or a small strip mall.

Barring this, there would have to be stop lights on both ends of Oneida so that we can leave and return without putting our lives in danger.

thank you for your consideration,

Rosanna Mauro

39 Oneida Cres #213
