Hello

We disagree on the construction of the highrise 4 buildings which is over and more than 20 floors on each and all 4 buildings. We are owners of 5 properties on Oneida crescent (1601 and 1602, 65 Oneida, lph8, 39 oneida, 1604 and 1805, 75 oneida). This highrise is going to cause heavy traffic obstructing the sun, change wind direction and more risk for crossing to go to school and community centre and more pollution in the neighborhood. Please keep us updated.

Thank you
