Subject: Objecting - Plan for Development of Buildings on Lots 37/38, Richmond Hill, 0 Oneida Crescent

Dear sir/madam,

I am writing to express concern and object to the revised plan for development of high rise buildings on Lots 37 and 38 at '0 Oneida Crescent', File Numbers: D01-19005 and D02-19023

My Name is Concetta Marsilla, resident of 39 Oneida Crescent - **Facing North.**

I am a disabled woman living in the building who cares to keep the unobstructed view. I purchased the property believing town homes would be built in the empty plot of land and I care to keep my unobstructed view facing North!

I would like to be contacted via this email address for any resident meetings.

Regards,

Mary for Concetta Marsilla
