Background:

Adjustments Under Section 357 – Current Year Taxes

Under Section 357 of the Municipal Act, 2001, taxpayers may make an application for the cancellation of taxes due to errors by the Municipal Property Assessment Corporation (MPAC), or in response to changes in assessment facts concerning the property. The tax reduction is not a result of Richmond Hill having failed to collect rightful taxes, but rather reduces the taxes to the correct and proper amount.

Applications have been made by Richmond Hill, or the owner, and have been reviewed by MPAC to verify assessment values and taxation periods to be used for adjustment.

Section 357 of the Municipal Act, 2001, provides an opportunity for applicants to attend a public meeting for this purpose. Applicants have been informed and consent to the tax reduction as listed in attached Appendix 1, “Tax Adjustments under the Municipal Act”. Applicants acknowledge that their attendance at a meeting is not required.

Richmond Hill has received and processed eighteen (18) application(s) for taxes to be cancelled under Section 357 totaling \$12,364.41 as listed in attached Appendix 1, “Tax Adjustments under the Municipal Act”. However, Richmond Hill will charge back to the Region of York and the School Boards the taxes levied on their behalf.

Adjustments Under Section 358 – Two Prior Year Taxes

Under Section 358 of the Municipal Act, 2001, taxpayers may make an application for the cancellation of taxes due to gross or manifest errors made by MPAC in the assessment for taxation in the two years prior to the current taxation year. In such an application, the taxes originally levied, or a portion thereof, are removed from the roll as not applicable due to assessment error. The tax reduction is not a result of the City having failed to collect rightful taxes, but rather reduces the taxes to the corrected and proper amount.

Applications have been made by Richmond Hill, or the owner, and have been reviewed by MPAC to verify assessment values and taxation periods to be used for the adjustment.

Section 358 of the Municipal Act, 2001, provides an opportunity for applicants to attend a public meeting for this purpose. Applicants have been informed and consent to the tax reduction as listed in attached Appendix 1, “Tax Adjustments under the Municipal Act”. Applicants acknowledge that their attendance at a meeting is not required.

Richmond Hill has received and processed twelve (12) application(s) for taxes to be cancelled under Section 358 totaling \$7,325.22 as listed in Appendix 1, “Tax Adjustments under the Municipal Act”. However, Richmond Hill will charge back to the other jurisdictions the taxes levied on their behalf.

Financial/Staffing/Other Implications:

A total amount of \$19,689.63 representing the City, Region, and School Board portion of taxes is being submitted for approval to be removed from the accounts receivable pursuant to Section 357 and 358 of the Municipal Act, 2001. Of this total, the City share of the taxes is estimated at \$5,396.44. Richmond Hill will also bear full responsibility for the penalties being reversed on cancelled taxes. Richmond Hill's 2021 budget includes a provision for such adjustments for \$400,000.

Relationship to Council's Strategic Priorities 2020-2022:

The report is required to meet the statutory obligations of Richmond Hill under the Municipal Act, 2001. The appropriate adjustment of property tax accounts in a timely manner and with clear application of procedures meets the Strategic Plan goal of Fiscal Responsibility.

Climate Change Considerations:

Climate change considerations are not applicable to this staff report.

Conclusion:

Based on the recommendations of Staff, a net amount of \$19,689.63 is recommended to be removed from the accounts receivable and allocated to the City, Region, and School Boards.
