Subject: April 7 Council Meeting - Oppose the 11160 Yonge Street development application

To whom it may concern,

I'm a resident in Yonge-Gamble area and would like to request council to please reject the application for 11160 Yonge St. development for the following reasons:

1. Yonge St. is always busy, and this development will definitely make the traffic worse than ever - not only during the construction period, but also after new residents move in; 2. Community resources, such as parks, schools and health care, are not enough to support the huge increase of residents in this area.

Thanks for your consideration.

I can be reached at xxx, or by mail: 63 Cedarcrest Cres, Richmond Hill, if you have any questions.

Regards,

Yi Qing Xiao
