Subject: City Files: D01-20013 and D02-20025

I am opposed to the Official Plan Amendment requested by Hazelview Developments Inc. referred to in the City Files: D01-20013 and D02-20025 to be addressed at the Council Public Meeting Wed. April 7, 2021

I understand the need to increase density but am opposed to such a significant increase in the number of stories. A compromise of UPTO a max of 15 stories, would be acceptable, this would satisfy the increase in density and maintain the current community feel and integrity, as well as be manageable to be supported by the current road and services infrastructure.

I would like to be notified of the adoption, passing or refusal of the proposed Official Plan Amendment related to these files to be decided at the Council Public Meeting Wed. April 7, 2021.
