

Re: April 14th, 2021 Council Meeting. Item 14.1 Member Motion - Councilor Muench - Review of Farming and Agriculture in Richmond Hill

To: All Members of Council

It is with deep concern that I write to all members of Council to express my opposition to Councilor Muench's abovementioned motion.

Switching this land to a mixed-use category is nothing other than Councilor Muench's thinly veiled attempt to open the door for this valuable farm land to be turned into yet another development project.

The attempted scare tactic of suggesting that marijuana might be grown on this land is both juvenile and far beneath the dignity of any respectable City Councilor.

I have also heard that Councilor Muench was not wearing a mask when presenting this petition to citizens. If this is true, it is again difficult to give this Councilor and his motion any credibility.

Please vote this motion down.

Thank you for considering.
