

This aerial map shows a residential neighborhood with several streets and numerous lots. The streets are labeled in yellow: GORDON ROWE CRESCENT at the top, 16TH AVENUE running horizontally across the middle, DUNCAN ROAD running horizontally below 16th Avenue, and PATHLANE ROAD at the bottom. A vertical street, FERN AVENUE, runs along the right side of the map. A red dashed line outlines a specific lot area, which is located between 16th Avenue and Duncan Road, and between an unnamed vertical street to the west and Fern Avenue to the east. The lots are numbered in red, with some numbers appearing on multiple lots. The map shows a mix of residential buildings, some with swimming pools, and open lots.
