

The site plan illustrates the proposed building layout and parking areas. The building is situated on a lot bounded by Yonge Street to the north and west, and a property line to the east and south. The plan includes various rooms such as a moving room, mail room, sitting area, and a loading pad. It also shows parking spaces, including a compact car parking area and a heavy duty parking area. The plan is detailed with dimensions, room numbers, and various annotations regarding building and parking requirements.
