Subject: 227 Harding Blvd. 5 Townhouse proposal Council Meeting Sept. 22, 2021

Residents of 4 Lilley Court, Richmond Hill, Ontario L4C 8X4

We would like to go on record to oppose this proposal as we did at the last council meeting along with all of our neighbours. We believe that this corner is already quite busy with a hospital on N/W corner, High school on N/E corner and a very busy Medical building on the S/E corner whose parking lot is a complete nightmare (sometimes cars are lined up on Harding Blvd South and North bound waiting to get into the lot to find a parking spot. Working in this building for 12 years I have seen this corner extremely busy let alone wanting to build 5 townhomes on one lot right across from this. Accident waiting to happen as well as liabilities. Needless to say there are many more reasons which were addressed at the last council meeting why this is not a good idea as all counsellors and the Mayor agreed.

Strongly disagree with going ahead. Not available to address the Council at the meeting but just to be put on record.
