Subject: Decision to select new Mayor

Dear Clerk

I am writing to express my view that the recently vacated office of the Mayor of Richmond Hill should be decided by a by-election.

Since Mayor Barrow's leave of absence (and even prior to this) I have been disgusted and disheartened at the dysfunction and unprofessionalism displayed by numerous councilors.

To think that one of them could become Mayor by drawing from a hat is deeply concerning. The citizens of this city deserve more and deserve the right to vote for their Mayor.

Please make the right decision for the citizens and require a by-election

Sincerely,

Susan Browne
