Subject: Re: Selection of Mayor

Further to my recent email (below) it's my understanding that, under the Municipal Act, the purpose of the Deputy Mayor is to fulfill the duties of the Mayor in his/her absence until the next election. Otherwise, what would be the point in having that position?

It would seem there are other nefarious reasons initiated by other councillors to try and change things in order to benefit themselves.

Good morning,

Despite the cost of a Bi-Election, I'd like to see the next Mayor have to be voted in by their constituent's – not by members of a corrupt Council or to be drawn from a hat.

I'm a citizen of Richmond Hill and have been for the last 25 years.
