Subject: FINDING A NEW MAYOR FOR OUR CITY

Dear Councillors, Clerks and Reporter,

As a long-time resident of Richmond Hill, I am contacting you to let you know that I would like to see appropriate steps being taken to provide us with a mayor of which everyone will be proud and one who will provide the required services for our great City.

I believe we need to have a by-election to decide who our next mayor will be. If a by-election is held, I do support on-line voting. This is such an easy process for most of our residents in Richmond Hill. It is a democratic way of dealing with the matter and the costs would certainly be kept to a bare minimum! We can do this!

Thank you for your paying close attention to matters of interest to our citizenry in Richmond Hill.
