Subject: Selection of our new mayor

Dear Councillor DiPaola,

Right at the heel of our federal election, I believe that the democratic way to choose the next mayor for our city is to go through a **by-election**.
Given the current covid situation, an on-line voting is the format of choice and also cost effective.

I do **NOT** support filling the vacancy by appointment.

Thank you for your attention and do take my opinion to heart because it counts.
