Subject: Decision regarding the position of Mayor

Dear Councillors, Clerks and Reporter,

As a resident of Richmond Hill, I have contacted you now to let you know that I would like to see a by-election to decide who our mayor is.

I support on-line voting.

Given that our current council is often deadlocked and at logger heads, the most democratic process for determining who is our next Mayor would be a by-election.

The use of on-line voting will make voting more accessible to more people and reduce the cost of the by-election.

Thank you for your attention.
