

MEMBER MOTION

Section 5.4.4(b) of Procedure By-law

Meeting:	Council X
Meeting Date:	October 13, 2021
Subject/Title:	Improving Windrow Services
Submitted by:	Regional and Local Councillor Perrelli

Whereas the Windrow Program has been a tremendous success; and

Whereas Council is always striving to improve service levels; and

Whereas although there have only been a handful of residents wishing to opt out of the program for valid reasons;

Now Therefore Be It Resolved:

That staff be directed to implement a system using snow stakes (tall thin poled you insert in the ground to identify edges that become covered by winter snowfall), known as driveway markers, to identify homes which want to opt out of windrow snow clearing.
