Subject: SRCM.21.12 - Clarification on Regional and Local Councillor Enviro Day

Please include it for the Oct 13th Meeting.

Dear Councillors

As a resident, I am not in favor of an exemption given to the regional and local councillor.

The councilor must pay the money back to the city!

This is a blatant abuse of the city policies and resources. This might also be a code of conduct issue that the council must address.

The councillor used the event to gain points for the mayor position, and is now forcing the city to absorb the deficit. This is so wrong.

Do not vote for an exemption.

We will be watching!
