Subject: The Blue Issue

To the clerk, Please post this to the public record for upcoming council meeting.

I know that Carmine Perrelli is true to his word, that no tax dollars will be spent on his blue/green bin exchange.

It is unfortunate that his plans did not work out. Perhaps council can dock his salary, something he has done to others, until the debt is paid off.

Whether the councillor thinks his event is exempt or not is actually immaterial. "No tax dollars will be spent." That is his word, That was his solemn promise to us taxpayers. I am sure he wants to keep his word above all.

So councillors please help him keep it.

ps. I guess those emails us residents had to give up to do the exchange now have a real price tag.
