Subject: Enviro Day Event

Dear Council Members,

I want to go on record stating that, in my opinion, **taxpayers should NOT be responsible for covering the cost of the Enviro Day event.**

As per the Council Events Policy, any councillor running events should be responsible for covering those costs through sponsorships. In addition, Councillor Perrelli had previously stated that no tax dollars would be spent on this event, and he should be held accountable for that statement.

I would like to request that my email be included in the revised Agenda for the October 13th meeting and become a part of the public record.

Regards,
