Subject: Submission for council agenda October 13, 2021, item 13.2

Dear members of council,

I would like to address the item 13.2 of the agenda for October 13th 2021 council meeting.

I strongly oppose the use of taxpayers money to fund for Regional and Local Councillor Perrelli's Enviro Day Event. Expecting to receive \$139,623.30 from taxpayers for a self promotional event is extremely irresponsible act when people are struggling to provide basic essentials for their everyday lives.

The revenue from sponsorships in the amount of \$55,709.00 should be directed towards funding Councillor Perrelli's Enviro Day Event as it's stated in the Events policy. This is very important that we don't change the rules of the game as we please. It is essential that policies are applied without exemptions.

Taxpayers money should be spent on areas that benefit public not to serve certain individuals.

I am hopping that councillors will make the right decision on this issue and will not approve directing funds from taxpayers money to overcome the deficit created by Councillor Perrelli's enviro day event.

Sincerely,
Lily Ramyar
