Hello.

I would like to officially register my concern regarding this proposed application.

This area is filled with single family homes and Oak Ridges should not be subjected to 8 story 214 unit building.

I am not against construction and understand that housing is a huge issue but 8 stories is way to high. Maximum should be 5 stories if we are forced to consider this proposal.

I look forward to to hearing more about this and also note there is a public meeting tomorrow at 7:30.

If I am unable to join please note my objection and send me the minutes of the meeting.

Thanks and regards.

Julie Prestidge.
