Subject: Objection of the land plan change

For whom it may concern,

I am emailing to object the construction of the two 27 and 31 storeys in height buildings based on the recent notice communication (please refer to the attachment). I live in the Richlands community and find that having the 2 buildings with this high is VERY AWKWARD! These 2 tall buildings are being build out of nowhere. It doesn't look nice and doesn't help the neighborhood given the green environment we are having in this peaceful community. It makes more sense to build a lower condo like 10 floors or less or build a plaza with restaurants/well being shops where I find this area is lack of good and different varieties of restaurants.

Once again, I am against building these 2 high storeys apartment building in this community !

Best regards
