Dear Sir/Madam.

This is regarding the building permit right at the entrance of our neighborhood.

Me and most of our neighbors 100% feel so annoying for this idea because new condo building or

More townhouses will cause lot of traffics and pollution problems to our neighbors.

We already feel frustrated since we received the building permit request notice by the city.

Hope city is going to hear our voice and consider all issues before approve the builder idea.

Thanks and Appreciate

Regards,
