Hello City of Richmond Hill,

I wish to be informed on the of the adoption, passing or refusal of the proposed Official Plan Amendment and/or Zoning By-law Amendment for this subject matter.

We are residents of the current neighborhood and have concerns with proposed development as it will result in a large increase in the volume of vehicles around a public library and school adjacent to the area. For the safety of the residents along with the children consistently in the area on these roads, we would like you to seriously reconsider and reject this proposal from moving forward.

Thank you,

Pauline
