Subject: Re: Council Public Meeting - 0 John Birchall Road

Hi,

My name is Peng Lin, the resident in Richlands community. I oppose the condo proposal in 0 John Birchall Road simply because it doesn't fit to the style of the community. The community consists of house and townhouse. The giant buildings will not bring any benefit to the community but the profit to TACC. We shouldn't change the zoning law which allowed up to 10 story building. This is my Public Comments.
