My name is Judy Au from 54 Bawden Drive, the resident at John Birchall Road and Bawden Drive. I am opposition to build the high density residential 27 & 31 storey high rise at that location. it is because the two big buildings are gonna bring it lots of traffic particularly the main entrance of our community. There is also resource constraint as our existing residents are still waiting for basic amenities like park and school.

I hope that land will develop to low density houses.

Thank you.
