Subject: Comment re D01-21008 and D02-21016

Hi,

Please accept the below comment regarding D01-21008 and D02-21016.

I'm writing in opposition to the proposed plan to build two towers at 0 John Birchall Road. This proposed development will lead to the overdevelopment of our neighbourhood. This plan, if accepted, will impact us negatively in many ways.

- It will lead to high traffic, causing hazards to pedestrians.
- It will lead to increased pollution in our neighbourhood
- Overutilization of the neighbourhood resources
- it will impact our privacy in our homes

I'm urging the council to reject this proposal to preserve our culture here at Richmond Hill.
