Subject: 2022 operating and water,waste water and stormwater budgets

The Toronto Star, published this morning the following article:

" Richmond Hill council intends to adopt the 2022 draft operating budget and the water, wastewater and stormwater budget scheduled on Wednesday, December 8, 2021 at 9:30 a.m."

The Muirhead community has, for the past 11 years, requested consumable water and sewer services, without success.

The Muirhead community has submitted evidence and information to Council by Council refusing to address and eliminate the 60 year plus old leaking Muirhead septic systems, Council has breached the Oak Ridges Moraine Act And Legislation by neglecting their legislative responsibility to protect the Oak Ridges Moraine.

The Muirhead community is demanding that the Water, WasteWater and Stormwater budget be applied to service all Richmond Hill residences including the Muirhead Community, with water, wastewater and stormwater services immediately after budget approval on December 8th 2021 by Council.

The Muirhead Community is demanding that this email be published, included on the agenda and discussed at the December 8, 2021 Budget Council Meeting.

The Muirhead Community wishes to present as a delegation this email to Council on December 8, 2021.

Please respond.

Paul Nolis, MBA. M.Sci. B.Comm. B.A.S.
