

Opposition to development at Bayview and Elgin Mills

To: The City Councillors of the City of Richmond Hill

We the undersigned, life members and devotees of the Hindu Temple at 10865 Bayview Avenue, want to register our strongest opposition to the proposed high-rise development near the above location. We will endeavour to prevent the high rise development as proposed including but not limited to any high-rise condominium towers. We will pursue all legal avenues available to prevent the above high-rise development from materialising. Being elected members of the City Council please pay attention to our request and not allow any high rise development near the Temple.

A copy of the Petition submitted by Arul Myles Mylvaganam, Public Relations Chair, Richmond Hill Hindu Temple, received on December 2, 2021, containing approximately 1,203 signatures, is on file in the Office of the Clerk.
