As I am a long time resident of the condominium building known as 22 Clarissa Drive; adjacent to the property known as 9651 Yonge Street, in Richmond Hill; I want to express my DISPLEASURE with the amendment with the Official Plan and Zoning By-law that is being proposed for this community.

Many seniors live in 22 AND 32 Clarissa Drive, some who no longer drive. Many of we seniors repeatedly walk to our local stores, to shop for medical essentials (prescriptions) as well as other necessities, and groceries.

We consider our ability to shop this way ESSENTIAL TO OUR WAY OF LIFE IN ORDER TO BE ABLE TO MAINTAIN OUR PRESENT LIFESTYLE.

PLEASE DO NOT CHANGE OUR WAY OF LIFE.

This change would cause untold hardship to the people in this well-established area.

Please Leave our Valued Stores

and Way of Life —Alone.

Thank you

Gloria Dehond
