Subject: "Key Findings report on Parks and Recreation" Item 13.4

I am writing to express on concerns and interest in Agenda item 13.4 [Council Meeting - February 23, 2022](#) . My name is Dan Cho and I live in 20 Lanebrooke Crescent Richmond Hill. L4S 1W6. I have playing Pickleball for 4 years and there is definitely a lack of pickleball courts in Richmond Hill. We definitely need more pickleball courts now, not in 2030. Thanks

Council Meeting - February 23, 2022
