Hi,

I am sending this email with respect to the building of more pickleball courts in Richmond Hill.

There are 2 dedicated courts at Kings College Park which I play at often but usually very crowded and long wait time especially in the mornings. Pickleball has become very popular among all age groups as it is a easy and fun game to learn.

Building of additional courts would make it more accessible and great for the community as there is such a demand.

Sincerely,

Susan Chan
