**Subject:** March 22, 2022 Special Council Meeting - Appointment Ward 4 Councillor

**For consideration by Members of Council:**

My wife Michelle and I are long time residents of Richmond Hill who firmly believe that it is important to have councillors who can serve on Council in an effective and respectful manner. To this end we are offering our support for the appointment of **Scott Thompson** to the position of Ward 4 Councillor for the remainder of this Council term.

We believe Scott possesses the necessary skills and experience to effectively represent the interests of residents in Richmond Hill and Ward 4.

We had the opportunity to connect with Scott when dealing with some infill development issues that were impacting numerous residents in our City. Based on our interactions with Scott it was obvious to us that he was well informed on issues that matter to residents; and that he has the ability to listen and communicate in an effective and reasonable manner. We feel Scott would be an excellent addition to our current Richmond Hill Council.

Best Regards
