Subject: Submission to special council meeting on April 20 item 3.1

I am submitting my official condemnation to the Bridge and High Tech TOC developments both in form and process that the government of Doug Ford has shamefully mandated upon Richmond Hill and Markham. I request that Richmond Hill Council bring a motion to also condemn the TOCS.

The EMZOs issued for the TOCs are an autocratic affront to democracy and have no business in a country like Canada. They bypass the Ontario Planning Act and our duly elected officials, and infringe on the individual rights of citizens. No government who truly represent the people will implement such immoral act.

I ask the clerk to ensure that my letter is included in the public record and be sent to the provincial government and the MPPs for Richmond Hill and Markham.
