Subject: EMZO

We, Susan and Lawrence Raifman, of Richmond Hill, condemn the Bridge and High Tech TOC developments both in form and process that the government of Doug Ford has mandated upon Richmond Hill and Markham. I request that Richmond Hill Council bring a motion to also condemn the TOCS. The EMZOs issued for the TOCs are an autocratic affront to democracy and have no business in a country like Canada. They bypass the Ontario Planning Act and our duly elected officials and infringe on the individual rights of citizens. I ask the clerk to ensure that my letter is included in the public record and be sent to the provincial government and the MPPs for Richmond Hill and Markham.

Please ensure that our views are presented at the Special Council Meeting Item 3.1 on April 20, 2022.

Sincerely,

Susan & Lawrence Raifman
