Re: Special Council Meeting April 20, 2022; Item 3.1

I condemn the Bridge and High Tech TOC developments both in form and process that the government of Doug Ford has mandated upon Richmond Hill and Markham. I request that Richmond Hill Council bring a motion to also condemn the TOCS. The EMZOs issued for the TOCs are an autocratic affront to democracy and have no business in a country like Canada. They bypass the Ontario Planning Act and our duly elected officials and infringe on the individual rights of citizens. I ask the clerk to ensure that my letter is included in the public record and be sent to the provincial government and the MPPs for Richmond Hill and Markham.
