11. Presentations

There were no presentations.

12. Delegations

12.1 Michael Bowcott, 435 Easy Street, regarding Response to Council Motion: Pickleball in Richmond Hill - (refer to Item 13.7)

Michael Bowcott, 435 Easy Street, remarked on the growth of pickleball in Canada and North America, and advised of the report prepared by volunteers that highlighted issues facing municipalities that have embraced pickleball, which was included on the Revised Agenda as Item 13.10. He shared details included in the report with respect to how other municipalities have responded to the growth of the sport, and testimonials of how it changed people's lives. Mr. Bowcott shared his belief that the City follow the approach of investing resources into building a large 20-court facility, and addressed some of the temporary solutions outlined in the staff report. He asked that a motion be brought forward by Council to request staff to study the feasibility of building a world-class 20-court pickleball facility in Richmond Hill.

12.2 Delegations received regarding Indoor Soccer Facility Investigations - (refer to Item 13.9)

Diramuid Salvadori, President of the Richmond Hill Soccer Club, provided background information on the club, including its programming, partnerships with local schools and other not-for-profit organizations and the subsidies they offered. He shared their vision, recognition and awards they received, and financial contributions made to the City over the years. Mr. Salvadori recognized the need and expressed support of the priority to construct an additional indoor facility, and introduced several of their Richmond Hill alumni. He acknowledged the growth of the sport, shared his belief that it was a game of immigrants, and that soccer facilities were essential to the integration of newcomers to the City.

Lutfi Askandar, on behalf of KickOff GTA, began by advising that more soccer facilities were needed in the City. He noted that KickOff GTA was a

for-profit organization that believed in doing the right thing. He described the operational challenges faced during the pandemic, their five star reviews on Google, and the benefits sport had on children. Mr. Askandar remarked on previous efforts to seek a field to provide services for their members, noting that the motion considered today was three years in the making. He acknowledged that while other Richmond Hill clubs needed more fields and more time, they had nothing and wanted something. Mr. Askandar advised of their previous commitment to a substantial amount of weekly hours at the new facility if constructed, their financial offer made to the City, and asked Council to make a decision that was in the best interest of the City and keep families local.

Brenda Fernandes, 16 Parsell Street, described the positive benefits that KickOff GTA had on her son, and other participants, and questioned why they had to drive all over York Region to play and could not host their own games in their own City. She noted that it was easy to find dance, hockey and volleyball facilities locally, but not fields for their soccer club. Ms. Fernandes shared her request for a place for their children to play in Richmond Hill, and advised of the needed facility to attract and develop the best talent.

Luguo Huang, 18 Bracknell Avenue, Markham, submitted an application to appear as an electronic delegation to address Council on this matter but was not in attendance.

Lisa Balsamo, 145 Sweet Water Crescent, advised that they were part of the KickOff GTA family for over five years, and shared her experience of building a shared community based on their love for soccer. She shared her opinion that more soccer clubs was beneficial as it created increased competition, which would lead to growth of the soccer community in Richmond Hill. Ms. Balsamo advised that one club should not be given the monopoly to operate while KickOff GTA was being prohibited from growing due to a lack of opportunity in accessing facilities. She concluded by urging Council to act on the request for additional soccer facilities.

Alex Kluchuk, 71 Miles Hill Crescent, advised that Richmond Hill needed a second soccer bubble. He remarked on the amount of travelling that was required due to the lack of readily available local soccer fields, noting that it was taxing on kids, coaches and their families. He advised of the popularity of soccer in Canada, and the significant interest and demand from the public in Richmond Hill for a second dome in order to have a reliable all-season soccer facility. He shared his opinion that a second

bubble would help children's physical development, improve their mental health, and be a very good investment for the residents of Richmond Hill.

Lara Assal, 50 Lambert Road, Markham, advised of the reasons for enrolling her children in the KickOff GTA club. She remarked on the lack of stability and field access they encountered within the last four years, and the significant travel time required to access available fields within the GTA. She shared her opinion that one dome that was predominately used by one soccer club did not serve the community properly, and that for a small business such as KickOff GTA to succeed, another dome was vital. Ms. Assal advised that as a small business owner, she wanted to see other hard working small business owners succeed, and shared her opinion that it was the responsibility of City Council to create the infrastructure and opportunities for hard working citizens to succeed.

Michael Balsamo, 145 Sweet Water Crescent, submitted an application to appear as an electronic delegation to address Council on this matter but was not in attendance.

Jennifer Da Silva, 78 Marsden Court, Newmarket, advised that they had been with KickOff GTA for over nine years, and shared the benefits the program had on the development of her children. She shared the difficulty in not having a home field, and the considerable driving that was required to access available fields. She shared her opinion that KickOff GTA deserved a fair and equal chance to touch the lives of more children in Richmond Hill and to not be forced out of City. Ms. Da Silva conveyed the importance of creating a large space that would meet the needs of a local 10-year-old business, and shared her belief that it was about giving children a warm and consistent space close to home, to get together with friends to play the sport they love.

Sarah Almasraf, 1116 Yonge Street, described her affiliation with KickOff GTA, and advised that the lack of stability of field access had been the biggest inhibitor of business growth. She shared KickOff GTA's goals as it pertained to the development of its participants, and described how the business changed its programming during the pandemic to promote the health and well-being of its kids. Ms. Almasraf shared her opinion that KickOff GTA needed a fair chance to grow and to stay local in Richmond Hill.

Nour Askandar, 71 Yorkland Street, submitted an application to appear as an electronic delegation to address Council on this matter but was not in attendance.

Marie Caruso, 220-51 Baffin Court, submitted an application to appear as an electronic delegation to address Council on this matter but was not in attendance.

Homa Alammanesh, 45 Elgin Street, Thornhill, submitted an application to appear as an electronic delegation to address Council on this matter but was not in attendance.

Jorge Ceron, 50 Parktree Drive, Maple, advised that his children had been involved with KickOff GTA for nearly five years. He shared how he heard about the club, spoke highly about the coach and the program, the benefits he had witnessed in his children, and shared his desire that the business succeed. Mr. Ceron advised of the need for a home facility in Richmond Hill, noting that it would draw investment into the city. He shared his opinion that Richmond Hill could produce Canada's next soccer star, but that it could not happen unless there was investment in small businesses like KickOff GTA.

Paolo Volpe, 165 Richmond Street, submitted an application to appear as an electronic delegation to address Council on this matter but was not in attendance.

Silky Tsang, 36 Duke of York Street, advised that she echoed the comments of the previous speakers, described how she heard about the club, and the benefits she witnessed in her son due to the program run by KickOff GTA. Ms. Tsang noted that the lack of field space was inhibiting the growth of the small business, and shared her belief that a home field in Richmond Hill would help the boys feel a sense of belonging, and be an investment in soccer and the wellbeing of children.

Moved by: Councillor Beros

Seconded by: Regional and Local Councillor DiPaola

WHEREAS Lake Wilcox Park located in the heart of Oak Ridges attracts visitors from Richmond Hill and across the GTA for its sunning waterfront scenery and family-friendly amenities;

WHEREAS the residents of Richmond Hill can enjoy a waterpark that includes a playground, youth area with a skate park, beach volleyball courts and a boardwalk of the lake;

WHEREAS numerous residents have raised concerns regarding not enough parking spots available for Richmond Hill residents;

THEREFORE BE IT RESOLVED that fees for non-residents increase from \$4 per hour to \$10 per hour in the two Oak Ridges Community Centre lots and from \$5 per hour in the central parking lot adjacent to the splash pad to \$15 per hour for this year. For staff to report back on the impact at the end of the year.

Motion to Refer:

Moved by: Councillor Sheppard

Seconded by: Councillor Cilevitz

That the Members Motion of Councillor Beros regarding Lake Wilcox Parking, be referred to staff for a report back to Council on the impacts of the implementation of the existing paid parking at Lake Wilcox, and the implications of the proposed parking rates in the motion.

14.3 Member Motion - Mayor West - Municipal Campaign Contribution Rebate Program

Moved by: Mayor West

Seconded by: Councillor Cilevitz

Whereas, Campaign contributions made by citizens to any municipal candidate are not eligible for either a provincial or federal tax credit; and

Whereas, the lack of a tax credit for contributions may be considered as an impediment which limits the ability of municipal candidates to raise funds for their campaign; and

Whereas, an increasing number of municipalities, including Markham, Oakville, Toronto, and many others in Ontario, have developed Campaign Rebate programs designed to encourage citizens to donate to candidates of their choice during the municipal election; and

Whereas, the majority of the current municipal Campaign Rebate programs are established at the beginning of a municipal election cycle, to enable the required funding to be accumulated over a four year budgeting cycle; and

Whereas, various municipalities have adopted different program elements including different rebate levels, different criteria for candidates to apply for the program, different criteria for citizens to qualify for the rebate program, etc.; and

Whereas, it is recognized that there would be a requirement to ensure that appropriate systems and staffing would be in place to manage any such Contribution Rebate Program for Richmond Hill.

Now Therefore Be It Resolved:

a) That Staff be asked to report back to Council on options to establish a Municipal Elections Campaign Contributions Rebate Program for municipal elections in Richmond Hill, starting with the 2026 Municipal Election; including:

- i. options on the structure of such a program, including recommendations and potential criteria for the various program elements (including, but not limited to, criteria to qualify for a rebate, and maximum rebate levels); and,
 - ii. potential costs, potential funding sources and any additional information to assist Council in assessing the viability of the program.
- b) That staff be requested to provide an interim report to Council in June, 2022, followed by a final report, incorporating any Council input, by December 2022.

Motion to Defer:

Moved by: Councillor Liu
Seconded by: Regional and Local Councillor Perrelli

a) That consideration of the Member Motion of Mayor West regarding Municipal Campaign Contribution Rebate Program, be deferred to the first Council meeting of the 2022 to 2026 Term of Council.

A recorded vote was taken:

In favour: (5): Councillor Beros, Councillor Muench, Councillor Liu, Councillor Chan, Regional and Local Councillor Perrelli

Opposed: (4): Councillor Cilevitz, Councillor Sheppard, Regional and Local Councillor DiPaola, Mayor West

Motion to Defer Carried (5 to 4)

14.4 Member Motion - Regional and Local Councillor Perrelli - Securing Land for Off Leash Dog Park

Moved by: Regional and Local Councillor Perrelli
Seconded by: Councillor Muench

Whereas in 2013, the Parks Plan and Recreation Cultural Plan identified a need for 2 (1 in the Northern part of Richmond Hill and 1 South) off leash dog areas; and

Whereas two facilities were created and are both located in the North; and

Whereas an off leash dog park is desperately needed in the South; and

Whereas the ideal location is in proximity to our Yonge St. transit corridor; and

Whereas all existing parks are too far from the transit corridor; and

Whereas land close to Yonge St. has proven to be almost impossible to purchase for this purpose; and

Whereas a land owner, after having read specifically pg. 107 of 389 in the key directions report, has contacted my office giving the City first right of refusal on a piece of land that meets the above criteria before offering it to adjacent property owners for high density intensification where this opportunity would be lost forever;

Now Therefore Be It Resolved:

That the City's real estate department in conjunction with all appropriate staff enter into negotiations with this landowner in attempt to secure it for an off leash dog park.

Opposed: (6): Councillor Cilevitz, Councillor Sheppard, Regional and Local Councillor DiPaola, Mayor West, Councillor Liu, Councillor Chan
